

## Want to help provide books for Quest Academy and put \$50 in your pocket at the same time?

PAGES would like to give every gifted student at Quest Academy a fantastic book, *The Gifted Kids' Survival Guide* (for ages 10 and under, as well as the teen guide). These guides give students the tools they need to understand their high ability, accept it as an asset, and use it to make the most of who and what they are.

At this time, we do not have all the money necessary to purchase the number of books needed, but we do have an easy way for you to help! SunTrust Bank will donate \$100 to your favorite charity if you open a personal or business checking account before December 31, 2008 (and we'll send you \$50). This is a FREE checking account with NO minimum balance or maintenance fees! A household may have a maximum of two donations (one personal account and one business account).

Here's how it works . . .

- 1) Open up a **free** personal or business checking account (no minimum balance, no monthly maintenance fee, and free online checking) by December 31, 2008. Many branches will also pay for your first supply of checks.
- 2) Make any purchase using your new SunTrust Visa Check card by February 15, 2009.
- 3) Complete and submit a redemption form by February 15, 2009:
  - a. Go to [www.suntrust.com/mycause](http://www.suntrust.com/mycause) and choose to donate \$100 **OR**
  - b. Call 866-266-2802 to complete your redemption over the phone.
- 4) Designate PAGES of Hernando as the charity of your choice.
- 5) Send us an email advising us that you have chosen PAGES as your charity.\*
- 6) Upon receipt of the donation from SunTrust, **PAGES will then send you a check for \$50!**

**100% of donated funds will be used to purchase books and learning materials for Quest Academy's family resource room and the school's library.**

- PAGES of Hernando is recognized as a public charity that is a 501(c)3 organization designated by the IRS and eligible to accept tax-deductible contributions.
- \*If we do not receive an email from you (step #5) by February 28, 2009, we will presume that you would like PAGES to retain the full \$100 donation.
- SunTrust now allows teens to open joint checking accounts with their parents/guardians. This is a great way to track your child's spending and to help them learn to manage their money.
- SunTrust will not be taking a tax deduction for donations made on your behalf. You should consult with your tax adviser to determine whether this donation will be tax-deductible for you.
